

Sage Pastel Payroll & HR

Partner

10 REASONS TO CHOOSE

Sage Pastel Partner Payroll

1. Utilised by most businesses in South Africa

More South African businesses utilise Sage Pastel Payroll & HR than any other Payroll software by far.

2. Seamless integration with Sage Pastel Accounting

Sage Pastel Partner Payroll has the same look-and-feel as Sage Pastel Xpress and Sage Pastel Partner Accounting, making the transition a natural progression.

3. It's easy-to-use and time saving

Sage Pastel Partner Payroll is easy-to-use, accurate, secure and ships with pre-defined sets of transactions to get your business up and running in minutes!

4. Sage Pastel Payroll & HR is technologically advanced

Sage Pastel Partner Payroll is a true Microsoft® Windows-based Payroll package. With us you can print in a Microsoft® Word or Excel format and you can even e-mail payslips to individual employees in a secure PDF format.

5. Legally compliant

With our regular software updates, you will always comply with the latest Payroll legislation in your country.

6. Telephonic and e-mail support

With Sage Pastel Partner Payroll, you will receive telephonic and e-mail support for the first year as well as legislative and product updates (subject to an annual licence fee thereafter). Our context-sensitive help facility ('F1') is only a mouse click away.

7. Caters for the growth of your business

Sage Pastel Payroll & HR is the ideal solution for any size and type of business and is available as a single-user product for the smaller company, or is scalable up to 10-users for larger companies and can accommodate an unlimited number of employees.

8. Payroll software with 'intelligent reporting' by utilising Microsoft® Excel

What do you get when you combine South Africa's leading Payroll software with Microsoft® Excel? A reporting tool that allows you to manipulate reports in order to make informed decisions. With 20 standard reports you can get a 360 degree view of your employee

costs, allowing you to intelligently understand the composition of your Payroll using the power of Microsoft® Excel.

9. Backed by an extensive national support infrastructure

Sage Pastel has been the foundation of businesses for more than 21 years and has more than 1,300 active Channel Partners in over 20 countries.

10. Specialised Modules to cater for industry specific requirements

Our Optional Modules provide you with solutions specific to your payroll processes and industry. These modules include Sage Pastel Payroll Intelligence Reporting, Industrial Council Compliance* and a Risk & Payroll Management Solution*. At an additional fee you can upgrade to Pastel Payroll 5in1. This payroll package offers powerful features and enhanced functionality. These additional features include Human Resources, Employee Self Service, Salary Structuring*, Multiple Transactions Manager and Third Party Payments**.

Did you know?

Frictionless Updates: With our latest 'Frictionless Updates' technology, your payroll software will always be processed using the latest version with up-to-date legislative changes, as long as you have an internet connection. You no longer need to manually install. **Payroll News (RSS Feeds):** Sage Pastel Payroll & HR will publish RSS Feeds to keep you informed of any legislative changes, important industry news and new software releases and features.

At Sage Pastel Payroll & HR we believe in working smarter, not harder. Meeting your payroll obligations every month takes considerable time and know-how. So you'll appreciate our easy, efficient processing ability. At the touch of a button you will comply with even the most complex of legislation. Our dedicated focus and specialist expertise are the reasons why most businesses choose us as their preferred Tax, HR and Payroll partner. Follow the mainstream and utilise the Payroll and HR software that does it all for you.

As a Sage Pastel Partner Payroll user, you will receive FREE access to our full-featured Report Writer.
